

Lexmark MS321/MX321 Series

Outstanding Printer/MFP for Small and Home Offices

The Lexmark MS321/MX321 Series, chosen by Buyers Lab analysts as the winner of the Winter 2019 Pick award for Outstanding Printer/MFP for Small and Home Offices, offers...

- Outstanding user-friendliness and performance, which means minimal downtime
- Support for a wide range of mobile options, allowing users to stay productive even when they're away from their desks
- Robust security features and, via MarkVision Enterprise, excellent fleet management
- Low upfront cost ideal for budget-conscious users

“The user-friendly Lexmark MS321/MX321 Series is an exceptional choice for small and home offices in need of a compact and affordable printer or MFP,” said Marlene Orr, Keypoint Intelligence’s Director of Printer & MFP Analysis. “Users can expect minimal downtime thanks to how easy to use and maintain the device is. The MS321/MX321 Series is easy to set up and use, has a compact footprint, and boasts a low price tag. The control panel menus make walk-up activity simple and the well-designed print driver, which lets you save settings for commonly run jobs for single-click output, makes programming print jobs from the desktop just as easy. Flexible mobile printing options enables users to stay productive even when they’re on-the-go.”

“The Lexmark MS321/MX321 Series offers perfect reliability, strong productivity, and impressive ease of use, making it an ideal choice for small offices or home offices,” said Tony Maceri, Keypoint Intelligence’s Senior Test Technician. “Whether using the printer or the MFP, users can count on the MS321/MX321 Series for clearly readable, high-quality text and graphics.”

About Keypoint Intelligence - Buyers Lab

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. In a landscape that's ever evolving, we change with it.

About Buyers Lab Pick Awards

Buyers Lab Picks stand alone in the industry and are hard-earned awards, as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
